Rethinking Development

Development as a non-linear concept

Expansion of Freedom

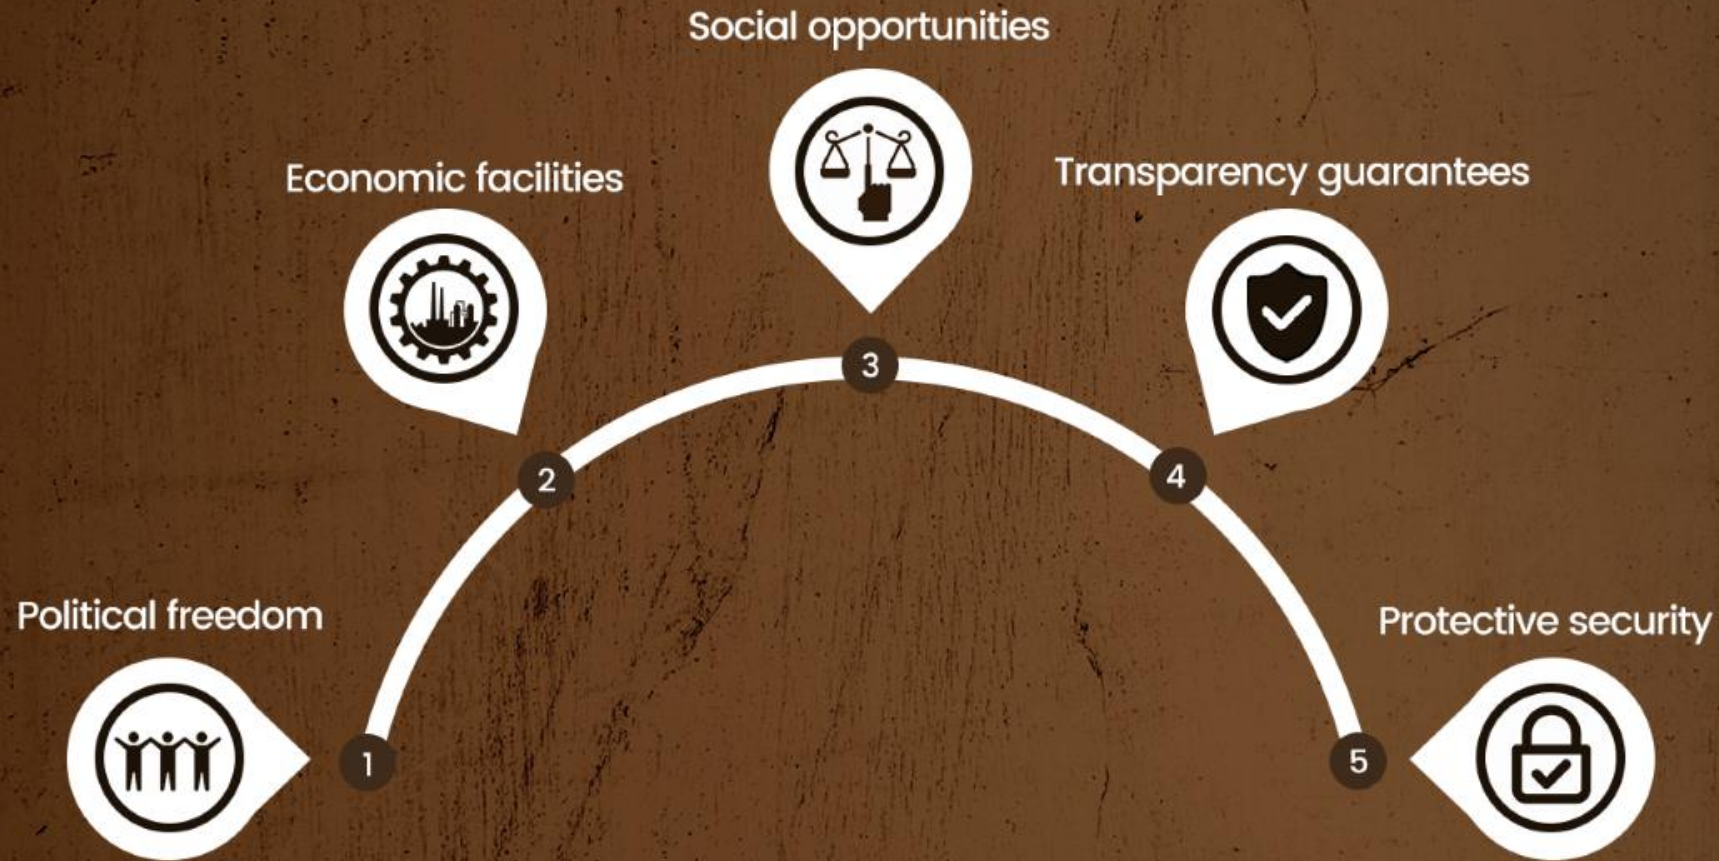

Linkages between different types of freedoms

Evaluative and Effective reasons to judge the development

Instrumental Freedom

Democracy or Authoritarianism

Freedom and Capability

- To live a life a person has reason to value
- Capability is a kind of freedom
- Capability set represents the freedom to achieve

Political Freedom

- Liberty of political participation is a constituent component of development
- Dissonance between income per head and the freedom of individuals to live long and live well
- Intergroup contrast an important aspect of the understanding of development

Market and Transactions

- Markets as a part of the process of development
- Freedom of exchange itself is a part and parcel of the basic liberties
- Bondage and slavery as one of the examples

Women as Agency

- The focus shouldn't be only on the well-being but also the 'agency'
- Women's active agency seriously afflicts the lives of all people
- Education, political participation and health facilities are precursor to women agency
